

Upload your Tally file. Get a full audit in 30 seconds.

Powered by AI · Built for Indian SMBs & CA Firms

THE PROBLEM

What's Going Wrong?

- Your accountant makes ledger grouping errors — you don't know until tax season.
- Compliance deadlines (TDS, GST, PT) are missed — resulting in penalties & interest.
- Bank reconciliation is done manually — taking days instead of minutes.

THE SOLUTION

What VirtualCA Does

01

Upload

Upload Tally Trial Balance, XML, Bank Statement or GST file

02

Analyze

AI engine checks 20+ accounting rules instantly

03

Fix

Get exact errors, journal entries and Tally fix instructions

WHAT YOU GET

Powerful Features, Out of the Box

LA

Ledger Audit

Detects wrong groupings across 20 rules. Flags Critical vs Review errors.

AI

AI CA Chat

Ask questions about your own data. Get CA-level answers with journal entries.

TD

TDS Analysis

Section-wise TDS tracking (194C/194J/192). Late interest calculator included.

PT

PT Analysis

West Bengal slabs (■110–■200/month). Employee-wise PT with Grips portal steps.

BR

Bank Reconciliation

Auto-match bank statement vs Tally. Flags unmatched, duplicates, missing entries.

CC

Compliance Calendar

TDS 7th, GSTR-1 11th, GSTR-3B 20th, PT 21st—never miss a deadline.
